Grand Junction Field Trip

On Friday, March 30th we will be going up to Grand Junction for the day. We will leave at 8:15 to 8:30 am to tour the Daily Sentinel and then the 9 news station. After lunch, we will go to Glacier Ice Arena to ice skate.

This is a great opportunity to check out what journalism is about and try ice skating.

Lunch will be at a park, so students must bring a sack lunch and a bottle of water. We will be home in time for students to catch their bus or be picked up at their regular time.

All students must have a C or better to participate!

Grades will be updated and set by next Wednesday!

Volunteers Needed

Please let us know if you can help us drive on this day!

Friday's Lunch

On Friday, March 23rd, we will be having rotisserie chicken, potato salad, and jello. The cost for this meal is **\$3.00. Cash only please.**

State Testing

During our testing days from April 11-13, we will be testing from 8:00am to about 12:45pm.. Each day is a little different. The students will be excused for the afternoons.

(Students should have a plan on getting home, afternoon buses will not be available.)

During the science test for the 8th graders (April 24-26) we will be testing in 1st period. **ALL other students be at school for a regular day, and 8th graders will stay for regular classes the rest of the day!**

Please let us know if you have questions.

A snack assignment will be sent home a couple of weeks before testing.

Volunteers For PE

Congrats to Mrs. Porter. She has found a job in Oregon that she needs to be at by mid-April. However, it is sad for DAAL because we lose our PE teacher. Mrs. Egging and Mrs. Reed were hoping that we could get some volunteers to take kids out for PE from 12:30 to 1:15. We will start to need help right after Spring Break! (April 23rd).

Please let us know if you can help out! It would be greatly appreciated!

Enrollment Next Year!

We are currently conducting interviews and still accepting applications. If you know anyone interested in our school send them to our website as soon as you can! (daal.deltaschools.com)

Telling others seems to be the best way to let them know about us!
